Re: CDOT Project No. B-0-999  
Pay Item No. 66 – Storm Sewers, Type 1, 8-Inch (Ductile Iron Pipe)

Dear Mr. Davis:

The ductile iron pipe supplied by Steel Works Incorporated for the above mentioned project and pay item was manufactured using iron melted and manufactured in the United States. All manufacturing processes for this iron product comply with the “Buy America” regulations of the FHWA and the “Steel Products Procurement Act of Illinois” as required under your contract documents. Additionally, the ductile iron pipe was manufactured in compliance with Pay Item No. 66 and all applicable project specifications.

If you have any questions pertaining to the above mentioned item or this Certificate of Origin please contact me at 555-123-4567.

Sincerely,

*David Smith*
